CFC Committee Meeting

27 APRIL 2017 / 11:06 AM / CLUB COLLABORATIVE ZONE (CCZ)

<u>**Present:**</u>

Committee: Jye Dewar, Alexander Emery, Jeremiah Pinto, Theodore Wilson, Lawson Taylor, Alex Arnold, David Yu, Ben Chidlow, Prem Aghera

<u>**Absentees:**</u> Matt Stagoll

Agenda

- Update on potential clients
- Update on the workshop
- Upcoming EMS breakfast

Notes

- A dev looking at the club for student devs to hire for a startup. An email will be sent to all members notifying them of this, it then up to the them if they wish to accept the offer.
- Ben and Matt spoke to a potential client, but was redirected to bloom since she was not part of the required criteria (a non-charity and not non-profit). Ben will inform her that her proposal was not accepted.
- Prem and Jye will talk to the head of the Post Graduate Students Association about a new project (similar to tutor allocation) for the club.
- Prem has finished a draft to be sent to Rachel for a workshop for cits1001 projects. If accepted, the workshops may be held a week after project 2 is introduced.
- An upcoming Engineering and Mathematics Students Association (EMS) breakfast (with a $15 entry) for current final year students from the faculty. This is a great opportunity for students to meet industry associates and will be on campus. An email will be sent to all club members of notifying them of this.
- Hand in the official forms of change in executive committee of club to guild was done.
- The hackathon projects will be handed in by Jye and Jake to AngliCare WA.
- The webhosting service was being paid by theo and will continue to do so until the end of his term and then a handover to the next treasurer. An option of setting up Paypal or stripe for the club account was brought up and might be implemented to make things easier for the club.
- Open committee meetings will start next week and maybe a reaction to the post to let committee know how many may attend.

Action Items

- The draft email about the workshops should be sent to cits1001 lecturer, Rachel - *Prem*
- Paypal or stripe will be looked into as a means of payment for web-hosting - *Theo*
- Find a new room for an open meeting - *Jeremiah*
- Send out the email of the EMS breakfast to members - *Jye*
